Deployment Tips & Guidance

Items to Consider Bringing on Deployment

Personal Items: Additional sets of uniforms/clothing, extra pair of shoes/boots, toiletries, medications (including aspirin, allergy medication, etc.), sunglasses, spare eyeglasses (if applicable), battery-powered alarm clock, digital camera with charger, spare batteries, mobile phone with charger, rechargeable mobile phone power pack, cap/headgear, sunscreen, bug spray, facecloths and towels, personal first aid kit, and other safety equipment.

Essential Items: Agency identification badge, government-issued identification (driver's license, passport, other), credentials (if a trained and certified professional), copy of professional licensure (if applicable), cash, credit cards (more than one credit card is suggested in case your card company decides to tag your card as stolen and it is deactivated), medical insurance card.

Commodities: Protein bars, personal cleaning cloths.

Office Items: Pads of paper, spiral notebook, clipboard, pencils/pen, highlighter, paperclips, file folders, envelopes and stamps, rubber bands, Post It notes, and a large envelope to store receipts.

Other: Maps and/or GPS, computer and charger, air card (or internet access), thumb drives or other media storage, checkbooks & contact information to pay your bills back home while you are away.

Deployment Stage Checklist:

1. Report to your designated staging area for in-processing and forward movement to your work location.
2. Obtain a situational briefing.
3. Perform a communications check with your team/co-workers.
4. Notify your home state Emergency Management Agency, home agency/local government and family of your arrival.
5. Confirm your mission assignment. If there are differences from the approved mission, mission location, lodging provisions, or meal arrangements, or if there are differences in estimated costs, **immediately contact your home state emergency management agency for advice on how to proceed.**
6. Report to your assigned work location. Note: While deployed on an EMAC mission you are under the operational control of the requesting agency. You work in support of the response. You do not lead the response unless directed to do so. You remain under the direction and control of your home state and may be recalled home should conditions warrant.
7. Work with the requesting agency to determine a plan for sustained operations and establish work shifts to support operation
8. Carry out your assigned mission. Keep daily records of hours worked, activities performed and expenses incurred.
9. Maintain periodic contact with your home state Emergency Management Agency, your home agency/local government and your family.
10. Document any damage to equipment with pictures and written documentation, and notify your home state Emergency Management Agency as soon as the damage occurs.
11. Be attentive to any changes to your work assignment or location that may necessitate an amendment to your mission deployment. Contact your home state Emergency Management Agency immediately if changes occur.

**Emergency Management Assistance Compact (EMAC)
EMAC Mission Order Authorization Form**

Demobilization Stage:	
<ol style="list-style-type: none">1. Verify the completion of your mission with your requesting agency supervisor.2. Prepare an individual or team demobilization and redeployment plan.3. Coordinate the demobilization and redeployment plan with your home state Emergency Management Agency, your home agency/local government and your family.4. Inventory and return any equipment issued by local and or state officials.5. Ensure that documentation on activities, work hours and expenses is complete.6. Make or confirm travel arrangements for your return home. Check that ground transportation routes are accessible, flights are scheduled and on time and airport is open.7. If applicable, check into the staging/demobilization area on your egress from the Requesting State.8. Notify your home state Emergency Management Agency upon your arrival home.	
Reimbursement Phase:	
<ol style="list-style-type: none">1. Prepare timesheets, travel and other expense vouchers, damaged equipment documentation, travel logs, and other documentation.2. Submit reimbursement documentation to your home agency/local government. <i>This initiates the reimbursement process for your home agency or local government.</i> It is your responsibility to submit this documentation in a timely fashion.	
Other Activities:	
<ol style="list-style-type: none">1. Complete the EMAC post-deployment survey and participate in post-deployment briefings and after-action activities .2. Submit non-returnable media with images taken on your deployment to EMAC at the National Emergency Management Association, PO Box 11910, Lexington, KY 40578.
